

HIKING & MAINTAINING ANDROS' FOOTPATHS

A HIKE TO MAINTAIN ANDROS' FOOTPATHS

SCHOLI-ANO GAVRIO-ANO AGIOS PETROS-SCHOLI (CIRCLULAR)

We have finished way-marking route number 15a so now we can hike together!

- We start from the road junction leading to Scholi, on the main road from Gavrio to Ano Agios Petros.
- We ascend towards Ano Gavrio taking a beautiful wooded walled path to soon reach a gorgeous ravine of Ano Gavrio and the church of Agia Mavra.
- We continue along a dirt track towards Ano Agios Petros where we have the option of taking a break at the square and the spring of the village.
- We finally descend along a "steni" path returning to our starting point.
